SUMITOMO 4:39

実荷重 = 0.0 ton Yrd
定格荷重 = 1.8 ton

整備時期
Under

PAU

The image shows a control panel with a central LCD screen. The screen displays the brand name 'SUMITOMO' and the time '4:39'. Below this, it shows two lines of Japanese text: '実荷重 = 0.0 ton Yrd' (Actual load = 0.0 ton Yrd) and '定格荷重 = 1.8 ton' (Rated load = 1.8 ton). A yellow bar at the bottom of the screen contains the text '整備時期' (Maintenance time) and 'Under'. Below the screen is a circular control knob with several icons for functions like lights and wipers. To the right of the knob are several rectangular buttons with icons. A small 'PAU' logo is visible on the right side of the panel.
