A large orange board displaying various safety notices, diagrams, and documents. The notices are organized into columns and rows, with some featuring bold text and illustrations. The board is titled "安全掲示板" (Safety Bulletin Board) and includes sections for safety rules and project information.

Several construction workers in white uniforms and hard hats are gathered around the board, looking at the documents. One worker in the foreground is holding a large sheet of paper, possibly a blueprint or a safety plan. The workers are engaged in a discussion or a safety meeting.
